

Welcome:

Thank you for your interest in the Black Canyon Barbershop Chorus!

If you're into singing, having fun, performing, and socializing, we think you would enjoy being a part of our group, so we encourage you to come and "try us out".

Members of the Black Canyon Chorus come from Delta and Montrose Counties. Our current membership of 30 men, practice at the Olathe (Colorado) United Methodist Church, 518 Hersum Ave. at 7:00 PM most Thursday evenings, under the professional direction of MaryAnn Rathburn.

Participation emphasizes fellowship, friendship, and appreciation for being a part of the long traditions and unmistakable sounds of four-part barbershop harmony.

Your membership in this great singing organization will offer you the opportunity to sing with the chorus, participate as part of a quartet, or perhaps help with show production and Chapter administration.

Our Chapter presents one Annual Show/Concert along with several sing-outs, special events and "give-back" concerts throughout the year using the guidelines associated with our membership in the Barbershop Harmony Society. We are one of over 800 chapters, thousands of quartets and 30,000 individuals throughout North America who participate in this (world's largest) all-male singing society.

As a guest, you will be asked to join the Barbershop Harmony Society. Benefits include: a dynamic website, bi-monthly magazine, weekly and monthly electronic newsletters, member pricing on music and barbershop related merchandise, how-to publications, electronic messaging to keep members abreast of news and current developments. society and district conventions, district schools programs, chapter officer training programs, and the highly successful Harmony College and Directors College that provide opportunities for leadership, musical, membership and performance development, and a forum for the exchange of new ideas.

In addition the Barbershop Harmony Society encourages vocal music in our schools as it is a fundamental ideal of the Society to keep music and the arts more relevant in these times of diminished focus and funding.
